

SIMP 3 will have a special category for video submission of Original Narrative and Slam Poetry. Students can register for this event on Tabroom.

This event will follow the same guidelines as the Original Narrative and Slam Poetry speeches presented in person at the tournament. Please see the event guide on Tabroom. The purpose of allowing video submissions is to give students the opportunity to obtain experience with mediated communication and allow students who cannot attend the tournament a chance to participate. Students may enter a video Original Narrative submission and Slam Poetry and also enter the in-person event on August 5. Use of the same Original Narrative speech and Slam Poetry piece is permitted. Winners will be announced on August 5 at the awards ceremony for the SIMP3 at CSU Fullerton.

Videos are due by August 1.

Videos can be uploaded to YouTube or Vimeo but **must** be shared with ACLAForensics@gmail.com on or before August 1.

In the video details, you must include the student's name and academy's name and student's grade level.
