

## **1st Annual Inland Northwest Parli Jamboree 4/30**

The Gonzaga Prep and North Central High School Speech and Debate teams would like to invite you to the 1st Annual Inland Northwest Parli Jamboree. This post-season jamboree gives students a chance to have one last time to debate. This is a great opportunity to have give your classes another option for credit, experiment with new partnerships for next year, and just have another chance competing before the year is over. We will be using a modified form of the National Parliamentary Debate Association's rules. Our goal is to only cover the costs of hosting the tournament so we are keeping fees as low as possible. We look forward to seeing you all Saturday, April 30th at North Central High School.

### **Registration:**

### **Fees**

School Fee: \$30 per School (Checks made out to Gonzaga Prep)

### **Judging Requirements**

A judge covers 4 parli teams. Because we are not charging entry fees beyond the school fee you must have enough judges to cover all of your entries. (example: 6 teams = 2 judges). Graduating Seniors can judge JV if they choose not to compete.

### **Divisions**

JV and Open

### Inland NW Modified NPDA Parli Format

**Pre-Round Prep Time: 15 minutes**

**First Proposition Constructive Speaker: 5 minutes**

**First Opposition Constructive Speaker: 6 minutes**

**Second Proposition Constructive Speaker: 6 minutes**

**Second Opposition Constructive Speaker: 6 minutes**

**Opposition Rebuttal by First Speaker: 3 minutes**

**Proposition Rebuttal by First Speaker: 4 minutes**

There is no cross-ex/crossfire period in Parli but Points of Information can be asked during the constructive speeches. A POI is when the opposite team raises their hand or stands. The Speaker will then recognize them for a question. **The first and last minute of constructive are protected time in which no question may be asked. The judge will knock on the table to indicate when a minute has passed and when there is one left.** A speaker should take between 1-3 questions a constructive speech. We will not be utilizing Points of Order which are traditionally used during the rebuttals

Topic Announce for Parli will take place in a centralized location where it will be verbally announced and posted.

Prep time will start immediately after the topic is announced/posted. Students will have a two minute grace period to be in the room ready to debate after the prep time is announced. Being late for the round = automatic drop.

Group prep is allowed as in consulting outside information. This means students may use any files, news sources, coaches etc that they have access to. Any information which may have been consulted before the debate, cannot be brought into the debating chambers for use during the debate. Except for notes that the debaters themselves have prepared during preparation time

Resolutions will be a mix of policy, value and metaphors.

Examples: The United States should raise the federal minimum wage. In politics, pragmatism should be favored over idealism. This House would share the sandbox.
