LINKING A JUDGE TO A SCHOOL

- 1) In order to receive online ballots, *coaches* must link your account to the judge entry on your school's roster. *Make sure you provide them with the correct e-mail address used for your account.*
- 2) You can request the linking of your account to a judge by clicking the link for "Link your account to a judge" in the sidebar:

This will automatically search for any unlinked judges and show you a list of results, if any:

JUDGES NAMED JOHN SMITH

Link a judge record to your accounts for email/text pairings & ballot assignments. Note: the administrators of your team or school will have to approve requests to claim a judge record before you can access them. Team admins will be notified of requests by email.

Only link to your OWN judge record; this controls online ballots!

Name	School/Team	Created	Tournament(s)	
John Smith	St Josephs Prep (PA)		0 tournaments	Claim judge
John Smith	United States Military Academy		1 tournaments	Claim judge
John Smith	Turkey Foot Middle School		12 tournaments	Claim judge

If you want to get text/updates for one of your team's judges, you should instead sign up on the tournament's online updates page.

If you find yourself in the list, click the "Claim judge" button to request linking to that judge. *Your school coach/administrator will still need to approve your request - they will be notified of your request by email.*

If no results are found automatically, you can also use the "Search" box at the bottom of the page to try a different name, different spelling, etc.
