| | | 31 Library, Lockwood C5 | | 50 Skinner Hall F3 | |

* (Center for Drama and Film)

Parking instructions

After entering through Main Gate, continue to the second stop sign (Main Building will be directly in front of you) and turn right. At the next stop sign, make a slight left to continue around Main Building until you reach the Admissions building on your right. Because Vassar is largely a pedestrian campus, there is limited parking in front of Admissions.

On high volume days when all of the spots in front of Admissions are filled, there is additional parking in North Parking Lot. Continue around Main Circle Drive, keeping Main Building on your left. At the second stop sign, turn right onto Main Drive. North Parking Lot will be on your left, just before North Gate. Plan for a 10 min. walk from North Parking Lot to Admissions.

We recommend you arrive at least 15 minutes before your tour or information session begins to allow ample time for parking and signing in.
