

Instructions for guests

Use these credentials to access the resnetguest account. To do so, you will have to do the following:

- 1 Make sure that you find & connect to the resnetguest wifi server. (for wireless go to "UNO Guest")
- 2 Open up a browser (preferably Internet Explorer or Chrome). The browser should automatically open up the UNO guest wifi login screen.
- 3 Use the guest wifi username & password credentials listed below.
- 4 Access should be granted

Please note that the credentials are case-sensitive. Let me know if you have any issues with it. Call me if you run into any issues.
