

A Resolution to Establish and Refurnish Gun Control Laws in Order to Decrease Mass Shootings in the United States.

Whereas, The United States has encountered dangerous threats due to the misleading use of guns; and

Whereas, Many innocent citizens have been harmed due to these tragic events; and

Whereas, Some of these mass shootings have been linked to groups and/or individuals that promote terrorism. Now, therefore, be it,

Resolved, By this Congress that the United States of America set up more effective legislation that will serve as a means to protect US citizens as for now and future generations to come; all for the goal of decreasing mass shootings.
