Dear Forensics Coach:

Your forensics team is cordially invited to attend the 43rd Annual Mercer Individual Events Trophy Tournament, sponsored by Mercer Rotary, on **Saturday, January 28, 2017.**

You will note that we will once again offer a wide range of individual events, including a separation of oratory into Informative and Original Oratory (persuasive). We will also offer a division in "extemp" events--Mixed Extemp and Commentary. By popular demand, we will again have competition in both Public Forum Debate and Student Congress.

Note that registration is being conducted on the www.tabroom.com website. Click on Mercer Rotary Tournament to register, beginning January 3, 2017.

Please read the following details closely...

Regardless of registration, ALL of the above events will be separate.
- 10) **Public Forum Debate** (P.H.S.S.L. time limits and rules apply)
- 11) **Student Congress**

Number of Entries: Each school may register **up to six (6) entries in each of the above events.** No double entries are permitted in speech events. *Requests for additional entries may be made by contacting Hugh Ringer.*

Congress: Any school participating in Congress should note that, in keeping with Pittsburgh district procedure, we will use legislation that the district is collecting and providing on a tournament-by-tournament basis. Legislation will be posted on Tabroom.com when it is available.

Next page, please>>>

Entry Fee: \$4.00 per student, the same fee as we have assessed for the last twelve years. Please note that the fee for each Duo Interp team and a Public Forum Debate team is \$8.00. The fee does not include lunch and must be paid on or before the day of the tournament.

Make checks payable to: Mercer Speech Boosters.

****Note that refunds will NOT be given for drops that are made after on-line registration closes on Thursday, January 26th at 3:00 PM.****

****Please do your best to avoid late payment of entry fees!!****

Judges: One qualified adult speech judge must be supplied for every five (5) speech entries or fraction thereof. (i.e.- 5 entries= 1 judge; 8 entries = 2 judges, etc.)

In **Public Forum Debate**, supply **one judge for every two (2) teams or fraction thereof.**

In **Congress**, supply **one judge per six (6) entries or fraction thereof.**

- High school students may not be used as judges.
- Some judges listed as "speech" judges may judge a round or two of Public Forum Debate, and Public Forum judges may also judge one or more speech rounds. If a judge prefers to be listed as **not qualified** to judge Public Forum, please note that on your registration.
- All judges are expected to remain for the duration of the tournament.

Awards: Plaques will be awarded to the first, second, and third place winners in each event. Once again this year, distinctive medals will be presented to the fourth, fifth, sixth, and seventh place winners in each event, including Public Forum and Congress.

Sweepstakes trophies will be presented to the first, second, and third place teams in the 9 "speech" events. The top two schools in the "debates" events (Public Forum and Congress) will also receive sweepstakes trophies in what we will call the "debates" division.

Speech Sweepstakes Participants: At registration, each school will be asked to indicate the eight (8) speakers (Public Forum Debate entries and Congress entries are NOT to be listed.) who will count toward your school's SPEECH sweepstakes total. No more than 3 speakers (or 3 duo teams) may be designated in a given event.

Tournament Format: All speakers will compete in three preliminary rounds. The top 5-7 speakers in each event will then advance to a final round. Three judges will be used in the final round.

Public Forum Debate may hold up to four rounds, depending on the number registered. Congress will hold two or three sessions, depending on time constraints.
