

THIS IS THE SPEECH INFORMATION for the U. Penn Tournament

TEXT PROBLEMS TO: 914 649-8246

This is the BIG and IMPORTANT logistics email. Chances are that if you have questions, THIS is the email you will need to refer to. PLEASE forward this email to any adult who will be at the tournament so they also have all of this information.

BALLOTS: THIS IS VERY IMPORTANT AND UNIQUE TO U. PENN. Students are responsible for bringing their critique sheets to all of their prelim rounds. These were distributed in your registration packets. If your students don't have them or are missing some, they should and must pick them up in the lobby of DRL. Judges will pick up master ballot (top sheets) at judge call and will return both master and individual ballots to DRL A1 after the round.

#### 1) SCHEMATICS

The schematics are now live. If you go to the tournament website ([penn.tabroom.com](http://penn.tabroom.com)) and then go to pairings, you can see the speech schematics. These may change so speakers should always check prior to their rounds. Similarly judges must report to call. Judge substitutions will be made as required.

DOUBLE ENTRY: Double entered kids in a pattern: Kids who are multiple entered do NOT need to check in with both rooms before competing. They should go to one of their categories and ask to speak earlier in the order. The judge should comply. And then they ought to go to their other category.

- Double entered duos should do DUO FIRST.
- Double entered extempers will be schedule to speak 1 or 2 in their extemp rooms.

PREP: Extemp Prep will be in DRL A8

ORAL INTERP: Round 1 of OI is PROSE.

JUDGES: There is also a judge chart posted in the INFO section on the bottom right hand corner of tabroom. Judge pool information is also at the bottom of this email.

#### 2) CODES:

PLEASE make sure that your students have their codes before coming to campus tomorrow. It would be a good idea for students to look up their schedules for tomorrow THIS evening.

#### 3) DROPS:

If a student falls ill between now and tomorrow morning, TEXT ME as soon as you know at 914-649-8246. PLEASE do not wait until you get here to tell me. I will potentially need to rebalance sections if there are drops.

#### 4) REGISTRATION

Schools that have not paid should pay Saturday morning before the 8:30 am judge call in DRL A1

#### 5) JUDGE CALL

The judge lounge and ballot pickup will be in DRL A1 on Saturday and Bodek Lounge in Houston on Sunday.

- All Slot A judges should be at the 8:30 AM judge meeting in DRL A1.
- All Slot B judges should be at the 10:00 AM judge meeting in DRL A1.

All slot A judges should be at all slot A judge calls and B judges for B judge calls. See the schedule below.

#### 6) SCHEDULE:

Judges for Saturday will either be judging in SLOT A OR in SLOT B. The list for the division is later in this email.

The first judge call will contain instructions for the day and will be 8:30 am for SLOT A judges and 10:00 am for SLOT B judges. For the remainder of the rounds it will be 20 minutes prior to the scheduled round times.

Remember, all speech judges are obligated for all elimination rounds.

Arrive at the judge call on time as we will be pushing ballots and fining people immediately for anyone who is not there when their name is called.
