

# **A Bill to End United States Membership in the United Nations**

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

**SECTION 1.** The United States shall withdrawal from the United Nations participation.

**SECTION 2.** Participation in the United Nations includes military participation, financial participation and all obligations thereto in any capacity.

**SECTION 3.** The United States State Department will no longer fund the United Nations in any form. All funds will be allocated evenly to the Department of education and the Department of Defense at the beginning of the next fiscal year.

**SECTION 4.** This will be enacted at the beginning of the next USFG fiscal year (October 1).

**SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.

*Respectfully submitted by Des Moines – North*

### **A Resolution to Promote the Agricultural Cultivation of Insects**

WHEREAS, current agricultural practices require excessive amounts of land, water, food sources

WHEREAS, current agricultural practices also produce a significant portion of the earth's greenhouse gases

WHEREAS, insects are being underutilized for their vast potential use in agriculture and for human consumption

RESOLVED, that the Congress here assembled and the U.S. Department of Agriculture shall promote through education and financial incentives the agricultural cultivation of insects

Respectfully submitted by Ames H.S.
