RE: HOMEROOM LOCATION FOR STATE DEBATE THIS YEAR

This is just a reminder of the new building we are in this year for the 'homeroom' for students and judges. The building will be the new student center commons (5) in the center of the campus. Please see map for parking and location. Students please go to the commons area for the 'homeroom' area. Judges will be in a room right in the middle of that commons area. We suggest you park in K, M and H lots this year. Coaches if you have parents or judges coming in please alert them to this change for this year's tournament. Registration will be held in the student center right outside of the tab room that is in the commons area. We will be using buildings 4, 5, 8, 9, 6, 2, and 3 this year. You will enjoy this brand new space for the 'homeroom' this year.
