RE: Bucks County Big Questions Invitational

Dear Colleagues:

We are pleased to announce that Council Rock North High School and William Tennent High School are co-hosting the inaugural Bucks County Big Questions Invitational on Wednesday 18, 2018, **and** Monday, April 23, 2018. We will use the national topic: *Resolved: Humans are fundamentally different from other animals.*

We offer a total of six rounds of competition: three rounds on April 18th at Council Rock North, followed by three rounds of competition on April 23rd at William Tennent. All debates will be single-flighted, requiring one judge for every two students entered.

Registration permitting, the tournament will feature separate Junior Varsity (freshman and sophomore only) and Varsity (open) divisions, with rounds one and two randomly paired. Awards will be presented to the top six students in each division.

The National Speech and Debate Association offers a plethora of resources on the Big Questions format:
